

SWIM LESSONS

AT THE GAITHERSBURG AQUATIC CENTER

DETERMINING CLASS PLACEMENT

Your child **must meet the requirements** of the class for which s/he is registering. Children who do not meet the requirements will be withdrawn from the class and a credit will be issued – not a refund. Registered students may be permitted to move to a different class ***if space is available and there is no waitlist***. If you are not sure of your child's skills, please call the Gaithersburg Aquatic Center at 301-258-6345 (after 5 p.m. on weekdays & Sat. 3-8 p.m. & Sun. 11-6 p.m.) to set up a time for your child to be evaluated at no cost. Screening only takes a few minutes and clarifies which level is appropriate. If your child is currently enrolled in a class, talk to the instructor before enrolling in the next session.

SWIM LESSON FEES

MEMBERS: \$40

RESIDENTS: \$45

NON-RESIDENTS: \$50

FALL SWIM LESSONS WILL BEGIN MID-SEPTEMBER

REGISTRATION

CITY RESIDENTS AND CURRENT AQUATIC MEMBERS

SEPTEMBER 9, 2007

OPEN REGISTRATION (INCLUDING NON-RESIDENTS)

SEPTEMBER 12, 2007

Registration is on a first-come, first-served basis and begins at 12:01 a.m. on the dates listed above for on-line and touch-tone phone users. Plan to register early because our classes fill up quickly. City Resident Registration is held prior to Open Registration. Note: City residents include all persons who reside within the corporate city limits of Gaithersburg and pay City taxes. The Montgomery Village and Flower Hill areas are **not** within the City. Non-Residents are invited to register during Open Registration and will pay a slightly higher fee for programs. Current Aquatic Members, who are non-City residents, are invited to register with Resident Registration as a benefit of membership.

WAYS TO REGISTER

The recommended way to register is through the *RecXpress System* either online or by touchtone phone. *You must have a family password and personal ID number to use these registration methods.* Email parksrec@gaitHERSBURGMD.GOV a minimum of two days prior to registration to request a password. To register by phone, 24 hours a day, seven days per week during the advertised registration dates, call 301-258-6360. To register on-line, go to www.gaitHERSBURGMD.GOV/recXpress. Only those registering for swim lessons using the *RecXpress* system will receive confirmation of the class assignment as part of the registration process.

You may also register in-person at the Gaithersburg Aquatic Center (2 Teacher's Way) or the Activity Center at Bohrer Park (506 S. Frederick Ave.) during normal business hours. Please note that the Gaithersburg Aquatic Center is open during evenings & weekends, and the Activity Center building opens at 6:00 a.m. If you would prefer to mail your registration, send your form and payment to the City of Gaithersburg, 506 S. Frederick Ave., Gaithersburg, MD 20877. Payment may be made by check (payable to the City of Gaithersburg) or credit card (Visa, MasterCard, or Discover Card only). Faxing the registration is a service available 24 hours a day @ **301-948-8364 (FAX)**. *Payment must be included with any registration form in order to be processed.*

WAITLIST PROCEDURES

Mail, fax, or walk-in registrants will automatically be "waitlisted" if the class is full. Every effort will be made to accommodate anyone who is waitlisted by creating new classes or consolidating current offerings based on demand and available pool space. (If openings become available, you will be notified by phone.) If your registration payment is by credit card and you are "waitlisted," your account will not be charged. However if the registration is received with a check payment, the payment will be processed and a credit will be placed on account. If there is any question about your registration status, please call the Gaithersburg Aquatic Center during regular business hours (after 5 p.m. on weekdays & Sat. 3-8 p.m. & Sun. 11-6 p.m.) at 301-258-6345 to verify your registration **before** the first day of class.

CREDIT/REFUND POLICY

If a student is withdrawn from a course, they may request a credit or a refund. *All students withdrawn due to the wrong level will be issued a full credit to be used at a later date without a written request.* All credit/refund requests must be submitted in writing to the attention of the Aquatic Manager. A credit can be applied for a future course or membership and is valid for one year. A refund will be issued in the form of a check or charge depending on original payment method. Please allow 10-15 business days for processing. If your written request is received *before the start of the course*, you will be given a full credit or refund. If your written request is received *on or after the start date*, the credit will be pro-rated based on the date the written request is received. No refund or credit requests will be considered if received after the last scheduled date of the course; no exception.

OTHER POLICIES

- The Aquatic Management may consolidate or cancel a class if registration is not sufficient.
- Anyone not toilet trained who wishes to enter the pool must wear a clean swim diaper covered by a separate, tight-fitting rubber pants under their swimsuit. If the diaper becomes soiled, this person must leave the pool immediately, and may not return until s/he has taken or been given a soap shower, and has been re-diapered and covered with clean rubber pants. Both swim diapers and rubber pants are offered for sale at the front desk.
- Lesson scheduling may or may not leave time for make-up sessions. Lessons missed on the part of the student will not be made up or compensated. However, lessons cancelled by the Aquatic Management due to weather or other uncontrollable circumstances will be made up at the end of the scheduled session, if at all possible.
- The participant is responsible for insurance in case of injury. Furthermore, although safety precautions will be observed, the City of Gaithersburg, employees, and agents will not be responsible for any personal property lost or for any injury sustained in the program.
- By signing up for a class, the participant gives consent to the City to use any photographs or video tapes made of the program.
- The City of Gaithersburg is committed to making reasonable accommodations as required by the Americans with Disabilities Act. Requests must be made two weeks prior to the start of the program. Please call 301-258-6445 to indicate what accommodations are needed.

NOTES TO PARENTS:

Group lessons are one of the best ways to teach your child how to swim. The interaction between children is irreplaceable in the learning environment. With this in mind, there are some things you can do to increase the benefits of swim lessons for your child.

BEING INVISIBLE

We require all non-participants to stay away from the pool deck when lessons are in session. At the Aquatic Center, this means staying in the lobby, hallway, or on the outdoor patio in nice weather. At the Water Park, this means staying in the grassy areas or at the Boardwalk Fries snack bar pavilion. This is not to deny you the opportunity to watch your child, but to increase your child's ability to learn. Positive peer pressure and the need to impress the instructor, two powerful teaching tools in swim lessons, are not present when there is a familiar adult, parent or sibling nearby. Please prepare your child for the fact that you will not be with them, especially if your child has strong separation anxiety. In addition, give your child a "potty break" right before class to minimize the need to exit the pool to come find you.

In order for you to view your child's progress and to give them an opportunity to show off all that they have learned, we invite you to observe the final class where students will receive a Report Card itemizing their accomplishments. We want to allow your child the glory of showing off after six classes of hard work.

PRACTICE! PRACTICE! PRACTICE!

The most important aspect of the learning process is the reinforcement of the skills learned in class. The best way to do this is to play and practice at the pool. The more time a student spends in the pool learning how their body moves in and reacts to the water, the faster they will pick up the skills taught in class. More advancement is made between classes during a practice session than actually in class where they are learning a skill for the first time. Even if your child just wants to play, it will reinforce that swimming is fun and worth learning. Take them to the pool for a Recreational Swim period to swim/ play with them. To encourage our students to practice their skills, we offer a discounted student rate at the Gaithersburg Aquatic Center (ask the cashier for details).

TALK TO THE INSTRUCTOR

After class, the instructors will make every effort to be available during the break to answer questions. Please keep in mind that there are only ten minutes between classes. Therefore, it may be necessary to speak with the Instructor Supervisor who is available during and after the lesson. Please take advantage of these opportunities. Your child's instructor and the Instructor Supervisor can advise you on the skills that need the most practice and the best way to practice those skills. Keeping apprised of your child's progress will help them to get the most out of each lesson.

If you are planning on registering for the next session, please talk to your child's instructor before doing so. Each participant develops motor skills and comfort with the water at their own pace, and the instructors can suggest which class is appropriate for your child to sign up for next. ***In fact, it is common for a child to participate in a particular level several times before successful completion. Every child will receive a Report Card at the end of the class recommending which level to register for next. Please follow this recommendation to provide the best and safest learning environment for your child.***

SWIM LESSONS

FALL 2007

WATER ADJUSTMENT (BUBBLERS)

Age: 6 months - 3 years

This class is for children 6 months to 3 years old. Class objective: water adjustment and personal safety, basic water skills, and fun! Participants must have an adult companion and wear swim diapers under rubber pants if they are not potty-trained.

Class	Starts	Days	Time	Location	# Sess
23161	9/23	Su	10:20am	GAC	6

23245	9/29	Sa	11:00am	GAC	6
23246	9/29	Sa	11:40am	GAC	6
23247	10/29	MW	4:40pm	GAC	6
23248	11/11	Su	9:40am	GAC	6

YOUTH LEVEL V (WHALES)**Age: 6 - 13 years**

This class is for children ages 6 and older. The child must have successfully completed the Dolphins class and/or be able to swim 25 yards front crawl with rhythmic breathing, swim 25 yards back crawl, swim 15 yards elementary backstroke, demonstrate breaststroke arms and legs, tread water for 45 seconds, and demonstrate the standing dive on the first day of class. Class objective: Refine key strokes and introduce butterfly, open turns, feet-first surface dive, and springboard diving.

Class	Starts	Days	Time	Location	# Sess
23249	9/17	M	4:00pm	GAC	6
23250	9/19	W	4:40pm	GAC	6
23251	9/23	Su	9:40am	GAC	6
23252	9/29	Sa	10:20am	GAC	6
23253	10/29	MW	4:00pm	GAC	6
23254	11/11	Su	9:40am	GAC	6

YOUTH LEVEL VI (SHARKS)**Age: 6 - 13 years**

This class is for children 6 years and older. The child must have successfully completed the Whales class and/or be able to swim 50 yards front crawl while breathing on both sides, swim 50 yards back crawl, swim 25 yards elementary backstroke, swim 15 yards breaststroke, demonstrate the scissor kick, demonstrate the side stroke arms, tread water for 60 seconds, and demonstrate the long shallow dive on the first day of class. Class objective: To prepare the student for either swim team or a junior lifeguarding program, to improve stroke for more ease, efficiency, power, and smoothness over a greater distance, and to introduce additional turns and pike and tuck surface dives.

Class	Starts	Days	Time	Location	# Sess
23255	9/17	M	4:40pm	GAC	6
23256	9/29	Sa	11:00am	GAC	6
23257	10/29	MW	4:40pm	GAC	6

**COMPETITIVE STROKE AND TURN CLINIC****Age: 6 - 11 years**

A 9-week program designed to prepare young and new swimmers for swim team training. Emphasis will be on developing all four competitive strokes, starts and turns. Registrants must be able to swim 2 lengths on their front without stopping, and one length of backstroke.

NOTE: This program will be offered again in the spring.

Class	Starts	Days	Time	Location	# Sess
23259*	9/17	M	4:00pm	GAC	9
23260*	9/29	Sa	9:00am	GAC	9

***City Residents & Members \$75; Non-Residents \$85**

**ADULT BEGINNER SWIM LESSONS****Age: Teen and Adult**

This course is geared for the non-swimming adult. Skills include floating, breathing, and the fundamentals of swimming strokes. Learn to become more comfortable in the water and learn the basics.

Class	Starts	Days	Time	Location	# Sess
23262	9/20	Th	6:45pm	GAC	6
23269	9/23	Su	10:20am	GAC	6

***NOTE: NO CLASS on 11/20**

PLEASE SEE OUR "SAFETY TRAINING" FLYER FOR INFORMATION ABOUT OUR LIFEGUARD TRAINING, CPR, AND RE-CERTIFICATION COURSES.

GUIDELINES FOR PLACEMENT IN SWIM CLASSES

Water Adjustment (Ages 6 mo. – 3 yrs.) – This is a parent-assisted class. Parents will learn holding positions, cues, and basic water safety.	
Students must be able to: Have one adult participant per child and wear swim diapers and tight-fitting rubber pants under the suit if not potty-trained	Class Objectives: Water adjustment and personal safety, basic water skills, and fun!
Pre-Beginner Level I (Ages 3 – 4) – This class is for beginning three and four year olds.	
Students must be able to: Function well in a group setting without parents	Class Objectives: Water entries, kick and glide on front with assistance, underwater exploration, blowing bubbles and bobbing, changing positions, back float with assistance, arm movement, and basic water safety
Pre-Beginner Level II (Ages 3 – 4) – This class is for advanced three and four year olds.	
Students must be able to: Water entries, kick and glide on front with assistance, underwater exploration, blowing bubbles and bobbing, changing positions, back float with assistance, arm movement, and basic water safety	Class Objectives: Water entries, underwater exploration with open eyes, kick and glide of front, blowing bubbles and bobbing, changing positions, float and glide on back, arm movements, and basic water safety
Youth Level I - Water Exploration (Ages 5 – 13) – This is the beginning class for children ages five and older.	
Students must be able to: Function well in a group setting without parents	Class Objectives: Fully submerge face, bobbing, float and glide on front, float and glide on back, bubble blowing, water entry and exit, walk in chest deep water, kick on front and back with support, and basic water safety
Youth Level II - Primary Skills (Ages 5 – 13)	
Students must be able to: Fully submerge face, bobbing, float and glide on front, float and glide on back, bubble blowing, water entry and exit, walk in chest deep water, kick on front and back with support, and basic water safety	Class Objectives: Fully submerge head and hold for 5 seconds, retrieve object in chest deep water, explore deep water with support, float and glide on front without support, float and glide on back without support, bobbing with rhythmic breathing, entry into chest deep water, kick on front and back without support, combine arm and kick on front and back, basic water safety
Youth Level III - Stroke Readiness (Ages 5 – 13) – This class is for children who are at least 48 inches tall.	
Students must be able to: Fully submerge head and hold for 5 seconds, retrieve object in chest deep water, explore deep water with support, float and glide on front without support, float and glide on back without support, bobbing with rhythmic breathing, entry into chest deep water, kick on front and back without support, combine arm and kick on front and back, basic water safety	Class Objectives: Retrieve object from chest deep water with eyes open, bob to safety, jump into deep water, kneeling or compact dive, glide with push-off on front and back, swim front and back crawl for 10 yards, elementary backstroke kick, reverse directions on front and back, basic water safety
Youth Level IV - Stroke Development (Ages 6 – 13)	
Students must be able to: Retrieve object from chest deep water with eyes open, bob to safety, jump into deep water, kneeling or compact dive, glide with push-off on front and back, swim front and back crawl for 10 yards, elementary backstroke kick, reverse directions on front and back, basic water safety	Class Objectives: Deep-water bobbing, experiment with buoyancy and floating, rotary breathing, standing front dive, elementary backstroke for 10 yards, sculling on back, front crawl for one length of pool with breathing to the side, back crawl for one length of pool, breaststroke kick for 10 yards, scissors kick for 10 yards, change of direction at wall, treading water, basic water safety
Youth Level V - Stroke Refinement (Ages 6 – 13)	
Students must be able to: Deep-water bobbing, experiment with buoyancy and floating, rotary breathing, standing front dive, elementary backstroke for 10 yards, sculling on back, front crawl for one length of pool with breathing to the side, back crawl for one length of pool, breaststroke kick for 10 yards, scissors kick for 10 yards, change of direction at wall, treading water, basic water safety	Class Objectives: Breathing on both sides, standing dive from springboard, stride jump, long shallow dive, breaststroke for 10 yards, sidestroke for 10 yards, swim underwater for 3 body lengths, elementary backstroke for one length, dolphin kick for 10 yards, front and back crawl for two lengths, open turns, treading water for 2 minutes using different kicks, surface dive, basic water safety
Youth Level VI - Skill Proficiency (Ages 6 – 13)	
Students must be able to: Breathing on both sides, standing dive from springboard, stride jump, long shallow dive, breaststroke for 10 yards, sidestroke for 10 yards, swim underwater for 3 body lengths, elementary backstroke for one length, dolphin kick for 10 yards, front and back crawl for two lengths, open turns, treading water for 2 minutes using different kicks, surface dive, basic water safety	Class Objectives: Preparation for swim team or lifeguarding program, improve stroke for more power, ease, and efficiency, diving board entry, front and back crawl for 4 lengths, breaststroke and sidestroke for 1 length, butterfly for 10 yards, turns for each stroke, surface dives, treading water with and without hands, basic water safety
